Schedule

TRASH service is **EVERY WEEK**. Your **RECYCLING** will be picked up **EVERY OTHER** week as indicated in the **BLUE** weeks. **YARD WASTE** pickup will be **EVERY OTHER** week as indicated in the **GREEN** weeks. Yard waste pickup will pause during winter snow conditions.

NOTE: Holidays do not affect your pickup day, we will be there.

SCAN the QR codes to the right to download the STR app. Once you enter your address, the app will have a calendar of your collection days. You can also set reminders, get service alerts, and access the “Waste Wizard” where you can search for materials to learn where and how to properly dispose of them.

CART PLACEMENT: Place carts at the end of your driveway with lids closed and facing the street by 7 AM on your collection day. Remove any bungee cords. Leave 2 feet between carts and place them 3 feet from parked cars or other objects. **Materials left outside the cart will not be picked up.** Customers are responsible for clearing a path for their containers during snow conditions, including bear boxes.
